

THE GOSPEL IS FOR EVERYONE, EVERYWHERE

“You will receive power when the Holy Spirit comes on you, and you will be my witnesses . . . to the ends of the earth.” —Acts 1:8

God calls each of us to be a part of sharing His message, His love, His compassion and His hope with people everywhere. India Gospel League can be your partner in fulfilling the Great Commission in this generation.

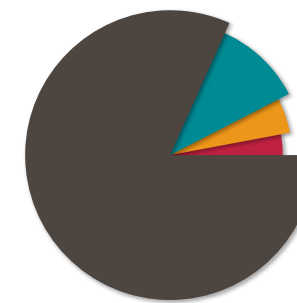

WE LEAD WITH THE GOSPEL

India Gospel League plants churches in unreached, rural villages. From there, we reach out to needy communities with God’s love; caring for the sick, serving the poor and loving children who are in need.

This approach means that the gospel spreads rapidly—**touching lives, transforming communities**—and empowers local churches to take action in their own villages.

Touching Lives, TRANSFORMING COMMUNITIES

India Gospel League specifically focuses on areas most-in-need throughout South Asia, places where poverty is high, literacy is low, and opportunities are scarce. For generations, IGL has brought light and hope where none existed.

INDIGENOUS

All of our work is led by the men and women on the ground in South Asia. This keeps our costs low and maximizes our effectiveness in reaching remote, rural and tribal areas.

BIBLE-CENTERED

Everything we do, from our pastoral training programs to our Children’s Gospel Clubs, from our Adopt-a-Village initiatives to our medical outreaches, is deeply rooted in Scripture.

SUSTAINABLE

We help village churches develop long-term, sustainable ministries that do not require ongoing outside support. For example, barefoot pastors sponsored by IGL receive only two years of financial support—after this, the churches they have planted begin supporting them directly.

WHAT GOD HAS DONE

Since 1948, IGL has touched tens of millions of lives with the gospel of Jesus and the blessings of Christian compassion:

78,000+ churches planted since 1992, and hundreds more each month

600,000+ kids disciplined through Children’s Gospel Clubs each year

9,000+ children cared for and educated annually

10,000+ villagers provided with medical treatment each year

40,000+ youth leaders trained for ministry

200+ poor villages assisted through development programs

SERVE

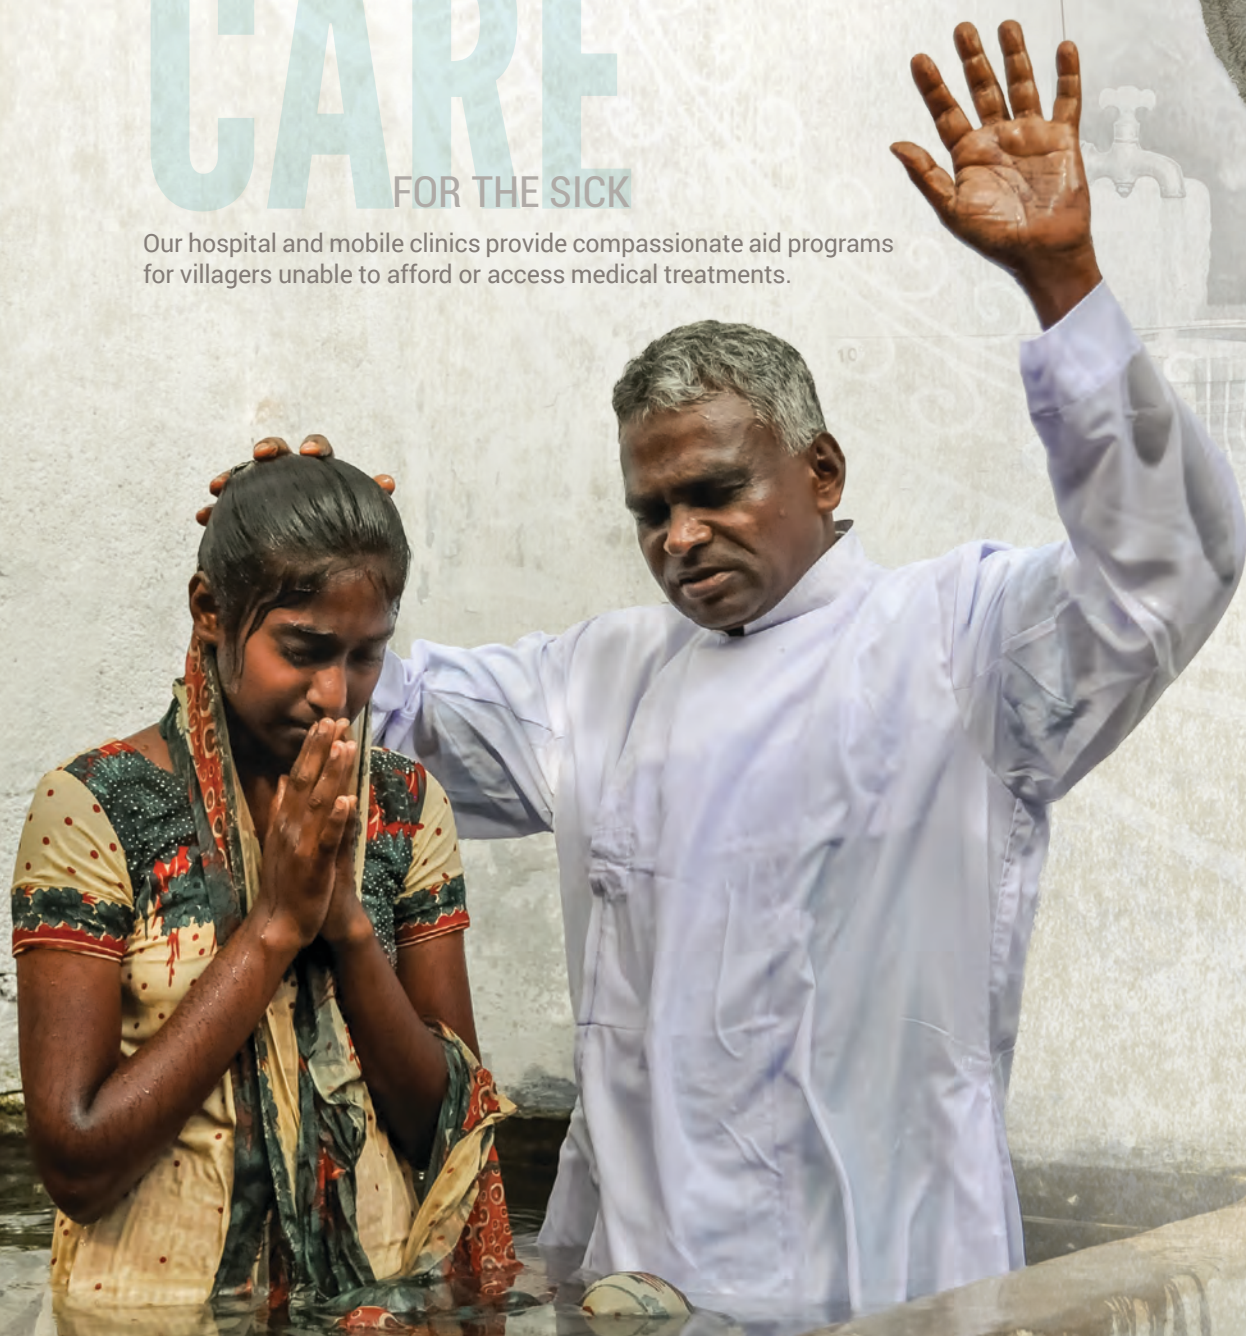

THE POOREST OF THE POOR

We help villagers overcome social and economic barriers so that they can escape poverty.
